Frequently asked questions

^ Can I just enroll in a single course?

Yes! To get started, click the course card that interests you and enroll. You can enroll and complete the course to earn a shareable certificate, or you can audit it to view the course materials for free. When you subscribe to a course that is part of a Certificate, you're automatically subscribed to the full Certificate. Visit your learner dashboard to track your progress.

⌄ Is this course really 100% online? Do I need to attend any classes in person?

^ What is IT support?

Businesses, nonprofits, school systems, and government organizations all rely on technology. Computers break, systems fail, phones die—when that happens, we need

problem solvers. A job in IT can mean in-person or remote help desk work in a range of organizations across many different industries.

▼ Why start a career in IT?

▼ What background knowledge is necessary?

▼ Do I need to take the courses in a specific order?

▼ Which jobs does this program prepare for?
